

WHO ARE THE NEBRODI?

The Nebrodi Folk Group was founded in Ficarra in 1968 by Prof. Giuseppe Celona, together with a group of young students with the aim of collecting, arranging and handing down the folklore of the entire Nebrodi area, and to popularise these folk songs, music and dances throughout Italy and abroad. The group has been successful. It has a Folk Study Centre and a record of many tours and performances around the world.

They have toured countries like The Netherlands, Belgium, Luxembourg, Germany, Turkey, Finland, France, Israel, Denmark, Sweden, Greece, Venezuela, Argentina among others.
